Big Horn County

In comparison to Wyoming’s other 22 counties, Big Horn County has the second highest percentage (rank: 21st) of enrollments in the WIC program (37%). Big Horn County also has the second highest percentage (rank: 22nd) of births where Medicaid was the primary source of payment (50%). Based on median salaries for men and women, women make 60 cents for every dollar a man makes, meaning, on average, women work 21 weeks for free every year.
