

Campbell County

In comparison to Wyoming’s other 22 counties, Campbell County has the fourth lowest percentage (rank: 4th) of cesarean births (23%). Campbell County ranks close to the state average for births to unmarried mothers: 34%, compared to the state average of 33%. Based on median salaries for men and women, women make 56 cents for every dollar a man makes, meaning, on average women work 23 weeks for free every year.
