Park County

Park County reduced the percentage of births where Medicaid was the primary source of payment from 41% (rank 12th) in 2010 to 30% (rank: 8th) in 2016. Based on median salaries for men and women, women make 70 cents for every dollar a man makes, meaning, on average women work 16 weeks for free every year.

Overview

County Population

29,353
Total county population, a rise of 1091 since 2010
